To all hard-working members of Pipefitters Local 211,

Thank you for keeping our city and surrounding areas operating during this difficult time. I realize that there is fear and uncertainty in everyone's mind during this pandemic. However, you guys get up and go to work to keep hospitals, refineries, Nasa, etc., along with many other places that we happen to work, operating and functioning for the protection of the public. On behalf of myself and the entire staff of Pipefitters Local Union 211, thank you for your efforts, tremendous work ethic, and professionalism during this dangerous time. Without you and other essential workers, the country would not function. So, thank you for what you are doing for us, your neighbors, and everyone else that is being impacted by this pandemic.

I pray that you all stay safe and May God Bless you and your families during this difficult time. We are here and working, so please call if you need us.

Fraternally,

Bryan Edwards
