Pipefitters Local Union 211 and its signatory contractors are classified as essential workers due to the nature of our type of work. All construction work whether it is commercial or industrial has been deemed as essential work during this time. This allows Pipefitters Local Union 211 and its members to work every day until further notice. However, if you do not feel safe or if your family would be put in jeopardy, please let the employer know, along with your Business Agent. We understand EVERYONE'S fears and concerns during this time, so please consult and communicate with your employer first, and then your union if you need anything, or if you are simply not comfortable going to work during this time.

May God protect and bless each of you and your families during this difficult time.

Fraternally,

Bryan Edwards
